### **United in the Spirit of Love**

A full-day gathering devoted to shared presence, where we come together in quiet awareness to hold space through silence, stillness, gentle reflection, and time in nature. Guided only by companionship, Sebastian joins without teaching or instruction, allowing the day to unfold naturally, free from expectation. This is an invitation:

- To rest in what already is.
- To reconnect with what has always lived within your heart.
- To soften into love, just as you are.

Together, we sit, walk, and simply be... held in presence, in peace, and in the quiet beauty of the divine.

**SYDNEY & SOUTH COAST NSW GATHERINGS: 27 - 28 OCTOBER 2026**

Details to be made available at a later date once finalized
